Rumor Is Current in Athens That Turkey Will Ask Separate Peace Unless Germany Fights Italy

(By Associated Press.)
WASHINGTON, Aug. 26.—Brest-Litovsk, the great Russian stronghold, the apparent chief goal of the Austro-Germans in their advance after the taking of Warsaw, has been captured by the Teutonic forces.

The Berlin official statement says, after the works on the western and northern fronts had been stormed and the attacking forces had entered the central fortress.

A great enveloping movement has been in progress for some time past which has resulted in the capture of Brest-Litovsk. The Russian position in the east, from Petrograd has been threatened by the Russian forces preparing to give up the stronghold.

An air raid of unprecedented proportions has been made on the city of Brest-Litovsk. German aeroplanes over the city, and the Russian forces were seen to be in a state of confusion. Gen. Miles to Be Grand Marshal

WASHINGTON, Aug. 26.—Lieutenant General Nelson A. Miles, U. S. A., retired, is to be invited to serve as grand marshal of the National Grand Army of the Republic encampment parade to be held at Washington, D. C., on September 28. He has been selected for the position by the citizens' grand army of the Republic committee of Washington.

POLICE IN BLOCK PASSAGE OF CARS PREVENTED

City Authorities Determined to Compel Company to Lay Concrete Foundation Under the Car Tracks

COMPANY IS EXPECTED TO APPEAL TO COURTS

Grant Street Barricaded and Guarded by Policemen Acting on Advice of City Attorney J. L. Mayson

The war between the city of Atlanta and the Georgia Railway and Power company over the enforcement of the "concrete ordinance" reached a dramatic climax Thursday morning at 4:30 o'clock when Karl W. Brittain, assistant chief of construction, fenced in Grant street, at both Georgia Avenue and Millidge avenue, stopping the trolley cars, which had been passing over that thoroughfare.

Two policemen were stationed, one at each end of the blockade, to prevent the power company or any one else from moving the obstructions.

Councilman George P. Freeman, of the third ward, in which the Grant street project is located, was found sitting on the sidewalk, surrounded by day morning, ready to assist the police in maintaining the blockade.

"It is time to decide," said Councilman Freeman, "whether the city of Atlanta, or the Georgia Railway and Power company owns the streets of Atlanta."

ONE ROUTE AFFECTED

The employees of the trolley company during the morning removed all of the steel and other paraphernalia used in the work on the streets, evidently preparing to stop work for an indefinite period. The trolley route through the ward avenue to Grant park, is affected. Cars on that route are now stopped at Millidge street, three blocks from the terminus.

In blocking the tracks the construction department was acting under the advice of City Attorney J. L. Mayson. The city authorities expected that the power company would bring an injunction and thus throw the controversy into the courts.

If this is not done the city attorney holds that the failure of the power company to comply with the provisions of the ordinance constitutes a legal ground on which council has the right to revoke or cancel the company's franchise to operate cars over Grant street.

Edith Spreckles Weds Day After Divorce Decree

HONOLULU, Aug. 26.—Mrs. Edith Spreckles, who yesterday was granted a final decree of divorce from John D. Spreckles, Jr., of San Francisco, was married here last night to Frank W. Wakefield, also of San Francisco.

The ceremony was performed at a hotel where Mrs. Spreckles had been residing, by Gilbert Walker, presiding elder of the Reorganized Mormon church. Governor Pinkham was one of the witnesses.

The couple will tour the Orient and Australia before returning to San Francisco.

FENCE ACROSS GRANT STREET

Thursday by the city construction department to prevent the Georgia Railway and Power company from laying a stone, instead of a concrete, foundation for the new pavement on that street. The construction department acted under the advice of the city attorney.

SOLDIERS GUARD EL PASO AGAINST MEXICAN RAID

Reported Plot Across Bridge Nipped in Bud by Prompt Work

(By Associated Press.)
EL PASO, Aug. 26.—El Paso awoke today to find its streets bordering the Rio Grande guarded by United States soldiers as a result of a report circulated last night that an uprising of Huerta, Carranza and Orozco factionists had been planned for the early hours of the morning.

Mexicans were not permitted to cross the international bridge from 11 o'clock last night until early today, and no American was allowed to cross the bridge. Extra guards were ordered out at Port Bliss, where General Huerta is being held. Companies of infantry were posted at the international bridge, the railroad bridge and all strategic points.

The rumor of the alleged plot was brought to the department of justice representatives, who notified General John J. Pershing, commanding the Eighth brigade at Fort Bliss.

A conference followed between the city and county officials, representatives of the department of justice, the federal marshal and General Pershing. After the conference, General Pershing announced he was prepared to meet any uprising that might start.

During the night soldiers were hurried to their camps by the provost marshal and officers rushed to their posts in automobiles. The police halted and searched Mexicans in the downtown streets. There was no excitement in the city.

Villa Commander Is Wounded in Battle

(By Associated Press.)
WASHINGTON, Aug. 26.—Official advice to the state department today said General Hernandez Villa's commander of Leon, near Monterrey, had been wounded and had lost part of his staff in a recent battle with Carranza troops. His forces had withdrawn from the town, the dispatch said, and were awaiting reinforcements from Torreon.

62 Aeroplanes Shell a German Munition Plant

World's Greatest Air Fleet Is Assembled by French Army and Sent Over Lines Into Germany.

(By Associated Press.)
PARIS, Aug. 26.—Sixty-two French aeroplanes on August 25 flew over a German munition factory in the north of Saxony, throwing down a total of more than 150 shells. Thirty were of large caliber, and the remainder of smaller size.

Announcement of the aerial raid is made in a war state statement this afternoon. The statement reads:

"During part of last night there were artillery exchanges and fighting with hand grenades and other explosives on the part of the enemy's artillery as well as our own."

"In the Argonne district, in the sector of La Follie Mort, yesterday our air force was engaged in a very fair fight with the enemy's aeroplanes, throwing down bombs and hand grenades."

"Nothing of importance has been reported from the remainder of the front."

"During the day of August 24 a French aviator threw down bombs on the plant at St. Etienne, in the Argonne district, in the sector of La Follie Mort, yesterday our air force was engaged in a very fair fight with the enemy's aeroplanes, throwing down bombs and hand grenades."

FOURTEEN MEET DEATH AT WIRELESS STATION

Storm Renders Big Wireless Outfit at Cape San Antonio, Cuba, Useless

(By Associated Press.)
TAMPA, Fla., Aug. 26.—Fourteen persons met death near Cape San Antonio, Cuba, and the powerful wireless station there was badly damaged and made unfit for immediate use by the recent tropical hurricane, according to a story told today by H. O. Borden, captain of the schooner Esplanade, which arrived here last night.

It was necessary to beach the fruit schooner Esplanade when her cables caught in the storm. The crew was saved.

Captain Borden said he sighted the schooner Esplanade after the storm had damaged her and towed the vessel to Cape San Antonio. The schooner was damaged by the storm and the crew was saved.

The only white inhabitants at Cape San Antonio are employees of the United Fruit company, stationed there to maintain and operate the high power wireless station. Very few natives live near the station, and from the island the soil is too fertile there. The station has been out of communication since the storm.

German Is Held For Sketching American Forts

(By Associated Press.)
WASHINGTON, Aug. 26.—Facing a charge of violating the federal law of espionage, a German, aged twenty-seven, and an instrument maker in the Carnegie building, was held today in \$5,000 bail to await trial in the federal district court at Norfolk.

Kopch, who is said to be a reservist in the German army, was taken into custody here last night by department of justice agents following an investigation by them extending several days. He had in his possession at the time, officers said, photographs of the fortifications and guns at Fort Monroe and of the reservation at Cape Henry, Va., where the government is planning extensive works to defend the entrance to the Chesapeake bay.

Associated Press Announces on Best Authority That Arabic Incident Can Be Considered Eliminated as Source of Discord Between United States and Germany.

(By Associated Press.)
BERLIN, Aug. 26.—Via London.—The Associated Press is in a position to state on the best authority that the Arabic incident may be considered as eliminated as a source of discord between Germany and America; or, at least, is regarded by the German government in that light.

Moreover, Germany in its desire to continue its friendly relations with the United States had adopted before the sinking of the Arabic a policy designed to settle completely the whole submarine problem as affecting America on the basis of good will and mutual understanding.

This is shown clearly by the statement of Chancellor von Bethmann-Hollweg, made in the Reichstag last night, in which he stated that the German government was not at all concerned by the sinking of the Arabic, and that it was not at all concerned by the sinking of the Arabic, and that it was not at all concerned by the sinking of the Arabic.

Official Promise IS EXPECTED FROM KAISER EARLY NOW

Indications Are That Germany Will Officially Announce Abandonment of Former Submarine Policy

(By Associated Press.)
WASHINGTON, Aug. 26.—Count Von Bernstorff, the German ambassador, conferred with Secretary Lansing nearly an hour this morning and although both refused to discuss their meeting in any way, it was understood that the ambassador reiterated that it was not the intent of the German government that any American submarine should be sunk, and that the German government was not at all concerned by the sinking of the Arabic.

Another communication, supplementing that which the ambassador transmitted to the state department today, is expected from Berlin and pointing its receipt Count Bernstorff will remain at the embassy.

It is confidently believed the next word from Germany will be an announcement that pending further negotiations, submarine warfare on passenger ships will be discontinued and that the submarine commanders already have been instructed to sink no merchant vessels without warning.

It is understood that Germany, at the same time, will revive her proposal for a modus vivendi for relaxation of British restrictions on neutral commerce. American newspapers, it was said, that this step, which had been in contemplation for some time, could be announced because of the victories in Poland. German officials, it was explained, considered that the victories in Poland had given the German government a position of strength, and that it was now possible to announce such a step.

Count Bernstorff took nothing to the state department to supplement his telegram of Tuesday. The ambassador reiterated his previous disclaimer of any intention that Americans should be harmed, and it was indicated that today's conference was arranged by the state department rather than the ambassador.

No enlargement had been made today for the ambassador to visit President Wilson and the indications were that none would be made at this stage. No report had been received from Ambassador Bernstorff's visit to Secretary Lansing and the advice from Berlin containing the German chancellor's statement, have a much better picture on the whole situation. There was a notable relaxation of tension at the White House and at the state department. It was made plain at both places tonight that the German government was encouraged by the apparent desire of Germany to avoid a break with the United States.

GRADE CROSSINGS BRING PROTEST TO THE MAYOR

County Commissioner Objects to Permits Granted for Accommodation of Warehouse

County Commissioner J. Oscar Mills appealed to Mayor Woodward and several members of the general council Thursday to use their influence to effect a reconsideration by council of its action of last week in granting the Southern railway the right to cross Glenn street and Stewart avenue with a spur track to the proposed Candler warehouse and cotton compress.

Mr. Mills was indignant that a permit should have been granted to cut into Glenn street, the south side boulevard, which the county has just completed at a cost of nearly \$100,000.

"I think it outrageous that Atlanta should give any road the right to make three new grade crossings," said Mr. Mills. "I think it outrageous that Atlanta should give any road the right to make three new grade crossings."

At one point, where the road proposed to cross Glenn street, there will have to be a cut in the street, which will not only be more dangerous than the ordinary grade crossing.

The permit, as granted by the council, would allow the road to cross Glenn street in two places and would allow it to pass once across Stewart avenue. Commissioner Mills stated that after he placed the facts before Mayor Woodward the executive agreed to support the movement to have the permit revoked.

Commissioner Mills, with Alderman Albert Thompson, S. L. Dallas made an investigation Thursday morning of the city laws and found an ordinance requiring an advertisement of applications or "petition" to the council for a permit to cross a street or franchise. This may result in an attack on the permits as granted.

Under the city laws it is known that a franchise or permit granted at one meeting of the council can be revoked at another, provided no money has been paid by the recipient of the permit on the project in question.

As the result an effort will most likely be made at the next meeting of council to have the permit revoked.

Interesting in connection with the fight on the permit is a movement by business men of Augusta to induce the Central Bank and Trust corporation to locate the proposed \$500,000 warehouse at Augusta in that city instead of Atlanta. As a Candler is not in the city and other officials of the bank would not discuss the Augusta move but it was learned on the best authority that an Augusta delegation was in the city Thursday to confer with the bank officials.

STATE RIFLE SHOOT IS NEARING FINISH
Ends Thursday With Rapid Fire at 600 and 1,000 Yards

The state rifle shoot of the Georgia national guard at the Fort McPherson range will end Thursday with individual matches for rapid fire at 600 and 1,000 yards.

With a score of 2,277, the first team of the Fifth regiment of infantry, Atlanta, won the Anderson trophy for the best team and also a silver medal.

The first team of the First regiment of infantry, Savannah, came next with a score of 2,272, winning the Candlish trophy. The first team of the Second regiment of infantry, with a score of 2,242, won the Faxon trophy. The fourth team of the Second regiment of cavalry, with 2,226. The third team of the First regiment of infantry was next with 2,186. Then the second team, Fifth Infantry, score 2,185; then second team, First Infantry, 2,147; the second team, Second Infantry, 2,132.

In the individual matches of rapid fire at 600 yards, Corporal Smith, of the First, troop L, second cavalry, won the Dunwoody medal from a close field of competitors.

Private Hale, of Windsor, of the Third separate battalion of infantry, won the Scott medal in a close contest for the best individual shooting at rapid fire at 600 yards.

FLOYD COUNTY SHERIFF CONTINUES TO IMPROVE

(Special Dispatch to The Journal.)
ROME, Ga., Aug. 26.—W. G. Dunehoe, former sheriff of Floyd county, whose lower jaw was blown away by a shot-gun in the hands of his son, Henry Dunehoe, several days ago, is still alive.

At the time of the trouble it was supposed that Dunehoe could not possibly recover, but since that time he has gained in strength, and has seemingly escaped the crisis, and it is now expected that he will recover. His son, Henry Dunehoe, is confined in the county jail awaiting the outcome of his father's trial.

CITY AND COUNTY PLAN TO AID DRUG VICTIMS

City Detention Hospital Will Be Converted Into Camp for Treatment

City and county health officers are making preparation for converting the city detention hospital into a camp for the treatment of drug victims and by the beginning of next week will be prepared to take care of any who may be taken into custody by the city.

Dr. J. P. Kennedy, head of the city health department, is of the opinion that while there are probably more than 2,000 drug addicts in the city, not more than 50 or 75 of them will come to the city camp for treatment. The rest of them will get together money enough to take the necessary treatment at some private institution.

"The public camp," said Dr. Kennedy, "is absolutely necessary because some of the friendless addicts might die, if no provision was made for them."

The city and the county are expected jointly bear the expense of the proposed institution and to maintain it. A. W. Farling, of the city finance committee, is now studying the financial situation of the city to "find" enough money to carry out the city's part of the project.

The committee appointed by the Fulton County Medical association to take charge of the project is composed of Drs. W. B. Summerville, J. P. Kennedy and Claude C. Smith, of the city, and Dr. Hurt, of the county health officer.

TO CHANGE YOUR SKIN!
How to Develop the Highest Degree of Vital, Nervous and Muscular Vigor

Snakes throw off their outer skin once a year. Human beings change their skin perhaps nine times in a year. In that city instead of Atlanta, about once in six weeks.

The value of a clean skin in maintaining health is not properly understood by the majority of people. Cleanliness is a part of health. You cannot be healthy unless you are clean not only externally, but also internally.

The blood should also be assisted occasionally, like the skin, in throwing off poisons so that the system may not get clogged and leave a weak spot for disease germs to enter the system. When the blood is clogged we suffer from what is commonly called a cold.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures eczema, eczema, boils, pimples and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood.

Doctor Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

It will penetrate into the joints and muscles and dissolve the poisonous accumulations. Bad blood is driven out. It will rid the system of rich, pure blood full of poisons—the kind that increases energy and ambition, that rejuvenates the entire body. (Advt.)

SCULPTORS WANTED TO DESIGN KEY MEMORIAL

WASHINGTON, Aug. 26.—The war department today announced a contest of sculptors and designers for the memorial to the soldiers who died in the "Star Spangled Banner." Designs will be received until October 15. Congress has appropriated \$50,000 for the memorial which will be at Fort McHenry, Baltimore.

Major James G. Woodward, who returned Wednesday from a trip to the Pacific coast, had the situation placed before him by the health officers, and he has assured them that he will cooperate with them in the work.

Dr. J. P. Kennedy, head of the city health department, is of the opinion that while there are probably more than 2,000 drug addicts in the city, not more than 50 or 75 of them will come to the city camp for treatment. MACHINES WILL WIN, ASSERTS LLOYD-GEORGE

This War Must Not Be Fought With Brawny Chests, He Says

PARIS, Aug. 26.—The government now has under control all factories able to produce cannon, rifles, projectiles and explosives," said David Lloyd George, British minister of munitions, in an interview with the Journal. "It also controls one detached piece is turned out by this industrial machine which is not destined for the use of our armies. This war must not be fought with brawny chests, but with machinery."

From what Mr. Lloyd George showed him, M. Humbert believes British preparations in many ways are more ample than those of the French. He declares the army now in training will be one of the most powerful the world has ever seen and when, later, it will be possible to tell what has been accomplished by the British, the universe will be "dumb with admiration."

ROCOE S. MASSENGALE IS HOME ON A VISIT

Rocoe S. Massengale, former Atlanta, now a resident of Albuquerque, New Mexico, is back in Atlanta for his first visit in two years. He is visiting his mother, Mrs. H. E. Massengale, in the city.

When the Yuzbaf patrol of Shriners passed through Albuquerque on their return from the west, that he could stay away no longer. He will return early in September to New Mexico.

From what Mr. Lloyd George showed him, M. Humbert believes British preparations in many ways are more ample than those of the French. He declares the army now in training will be one of the most powerful the world has ever seen and when, later, it will be possible to tell what has been accomplished by the British, the universe will be "dumb with admiration."

Road Valuations

(By Associated Press.)
WASHINGTON, Aug. 26.—Samuel Rea, president of the Pennsylvania railroad, will head the railroad president's committee which will appear before the interstate commerce commission September 26, October 1 and 2 to present views upon the fundamental principles of physical valuations of railroads.

The committee has some views that differ with the commission and it is possible that representatives of some of the state railroad commissions may also appear to present views. The work of valuing the property of the railroads now is in progress and so far has involved congressional appropriations of about \$5,000,000 and may take from seven to ten years to complete.

From what Mr. Lloyd George showed him, M. Humbert believes British preparations in many ways are more ample than those of the French. He declares the army now in training will be one of the most powerful the world has ever seen and when, later, it will be possible to tell what has been accomplished by the British, the universe will be "dumb with admiration."

Guests at Dinner Party

Miss Mrs. Brown entertained at a very friendly dinner at her home on Pryor street. The guests were Mrs. T. J. Lightner, Mrs. J. M. L. Sisson, of Greenwood; Mrs. James Hogg, of New York; Mrs. A. M. Wilson, of Dalton; Mrs. Joseph H. Morgan, of Atlanta; and Mrs. W. D. Ellis.

Luncheon for College Girls

Miss Albert Seene was hostess at luncheon Tuesday at her home in Ansley park in compliment to Miss Mildred Brown and to Miss Mable Frisgorn, who are the guests of Miss Roscoe Woodberry, at Woodberry hall, in Ansley Park. College colors decorated the table and were also carried out in the crystal bowls of gaily-colored xinnias which graced the pretty room.

Luncheon at Elks' Club

The luncheon given by the Benevolent and Protective Order of Elks Wednesday at the Elks' home was a very delightful occasion and was the social entertainment in the weekly series to be given by the Elks in compliment to their friends.

A beautiful musical program of popular dance music was rendered by an orchestra concealed behind a screen of palms and ferns and luncheon was followed by informal dancing and singing. The guests were present, accompanied by a large number of ladies who were the invited guests of the occasion.

Five O'Clock Tea

The 5 o'clock tea at which Mrs. Joseph Billups was hostess Wednesday at the Capital City club was a pretty affair. The guests were Mrs. William W. Jacobs, of Houston, Tex., who is the guest of Mrs. Joseph Billups, and Mrs. J. C. Stenhouse, Mrs. Robert Burgess and Mrs. J. C. Stenhouse.

The guests were Mrs. Jacobs, Mrs. Thorneill Jacobs, Mrs. Charles J. H. Hunt, Mrs. J. C. Stenhouse, Mrs. Joseph Osgood Wynn, Mrs. F. C. Stenhouse, Mrs. Robert Burgess and Mrs. J. C. Stenhouse.

Luncheon for Bride Elect

Miss Emmakate Amoruso, whose marriage will be an event of the season, was the guest of honor at the luncheon given at which Miss Frances Akis was hostess Thursday at her home on East Fifteenth street. A large golden basket filled with black and white roses graced the center of the lace covered table and at either end were placed two smaller golden baskets filled with the same bright flowers. The place cards were handpainted engagement rings in which twinkled diamonds and pearls. Miss Akis was crowned in white embroidered silk, Miss Amoruso wore a white lingerie trimmed in blue tulle and French hat of blue wreathed in forget-me-nots, and Mrs. Verdery Michael, who assisted in entertaining, was crowned in white embroidered crepe.

Luncheon for Visitors

Mrs. T. T. Stevens entertained informally at luncheon Thursday for Mrs. H. Hastings, who has recently returned from a three months' trip through California and for Mrs. Lester Mosley, of San Juan, Porto Rico, who is the guest of her parents, Dr. and Mrs. W. V. Trammell, in Ansley Park.

Parties to Visitors

Mr. and Mrs. T. R. Harmon will entertain at a dinner at the dinner dance at the Lake Country club, Thursday evening in compliment to their guests, Mrs. Robert L. Smith, of Macon, and Mrs. Mrs. Lowell Haley, of Ocala, Fla. Mrs. M. A. Linsley will be hostess at a buffet supper Friday evening at her home on Forrest avenue in honor of Mrs. Smith and Mr. and Mrs. Haley.

To Visit

Mrs. Roy Brazeeale, of Clemson, S. C., has been the honor guest at a series of parties during her visit to Miss Kathleen Watson.

Miss Watson was hostess at a luncheon Tuesday at her home on Washington street. A large bowl of golden gold formed the central decoration of the prettily appointed table and the place cards of the guests were marked by old-fashioned sabonnet girls.

The guests present included Mrs. Brazeeale, Mrs. H. B. Harper of Havana, Cuba, Mrs. Lawrence Powell of Macon, Miss Ruth Scully and Miss Hester Johnston.

Mrs. H. B. Harper entertained at a bridge luncheon Wednesday at her home on South Pryor street in honor of Mrs. Brazeeale. Bright colored dresses and napkins were used in decoration and dainty pieces of linens were presented to the honor guest and for the top prize.

The guests included Mrs. Brazeeale, Miss Watson, Miss Hester Johnston, Mrs. Lawrence Powell of Macon and Miss Ruth Scully.

Miss Hester Johnston entertained at a bridge luncheon Thursday at her home on North Boulevard in honor of Mrs. Brazeeale, when six guests were invited to meet the honor guest.

Guests at Sewing Party

Mrs. William H. Barnwell, Jr., entertained informally the members of her sewing club and a few extra guests Thursday morning at her home on Ponce de Leon avenue in compliment to Miss Andre Davis, of Savannah, the guest of Miss Helen Thorne.

Those present were Miss Davis, Miss Thorne, Miss Martin Fielder, Miss Emily Williamson and her guest, Miss Ethel Butts, of Tifton; Miss Christine Hogg, Miss Mary Lucy Turner, Miss Gladys Wason, Miss Elizabeth Dunson, Miss Beodicia Williamson, Mrs. Julian Prude and Mrs. W. B. Williamson, Jr.

Feature Evening on Roof Garden of Capital City Club

The "Route at No. 1" dinner dance at the Capital City club Wednesday evening proved a very delightful occasion in the series of feature evenings being arranged by the management of the Capital City club for the members and their friends and which are proving such a success.

The roof garden presented a weird scene with lights shrouded in red and black. The guests were seated in a black and white skeleton heads and grinning old-fashioned faces, and realistic jointed snakes gilded from the ground to the ceiling. The room was festooned between the strings of lights and at each guest's plate was a black and white snake from which sprang a vivid green snake. A program of unusually interesting musical numbers especially selected for the occasion added to the pleasure and dinner was followed by informal dancing.

Among the large number of guests present were Mr. and Mrs. Charles Bell, Mr. and Mrs. Marshall Bell, Mr. and Mrs. Nellie Dodd, Mr. Henry Kennedy, Mr. and Mrs. Thompson, Mr. and Mrs. Lauren Foreman, Mr. and Mrs. Logan Pitts, Mr. and Mrs. J.
